Clocktower

Purchase a Brick

Support Georgia's Rome Clocktower renovation fund by purchasing a brick. A limited amount of bricks have been made available to be installed on the grounds of the historic Clocktower. The pavers are the perfect way to show your support, mark a special date (such as a Clocktower engagement or wedding) or to remember those who share in our community's love for the iconic landmark.

Funds raised through the Clocktower brick program will serve to support project work which includes refurbishing the original clockworks on display, replacing rotted wood panels, painting, installing new flooring and updating the landscape.
