

Myrtle Hill Cemetery Tree Tour

Parking: Park at the trail head public parking lot at the corner of Broad St. and Branham Ave.

Tree Tour: Start anywhere on the map. Locate a tree either by its name or its number. Continue to the next tree on your path until you've located all the tree species on the map.

Some tree species may be located in several areas of the cemetery. Other species, especially trees not native to this area, may only have one tree.
