Benefits of Membership

COMMUNITY INVESTMENT

Association membership is an investment. Membership is a low-cost investment with a big return! The collective pool of money is matched by the GRCVB and used as an incentive to attract new tourism business to Rome that benefits the entire community. Additionally, Association-sponsored tournaments and events allow members to market directly to attendees.

CALENDAR OF EVENTS

Association membership gives you the inside track. Current events are posted on our website and VenueDog.com/Rome. An updated Calendar of Events is distributed to all members quarterly and upon request. Sports, events, tournaments and conferences that the GRCVB is working with directly, are posted on this calendar. Knowing that large tournaments, conferences and special events will be in town allows members to plan accordingly.

VISITOR GUIDE

Association membership puts your name out there. All members are listed in the printed Georgia's Rome Visitor Guide (15,000+ copies printed yearly) as well as in our digital version available on ExploreGeorgia.org and on our website.
